Reorganized Latter Day Saint Church : Is it Christian? Carol Hansen

Reorganized Latter Day Saint Church: Is it Christian?, written by a former RLDS member, contrasts the teachings of Joseph Smith with Biblical Christianity. This book gives an overview of Reorganized Latter Day Saint history from 1820 to the present day. It provides a detailed comparison of the Mormon (LDS) and Reorganized Latter Day Saint (RLDS) churches. It explores subjects such as the occult origin of the Book of Mormon and the false prophecies of Joseph Smith. Perhaps most importantly it answers these two critical questions: 1) Can the Reorganized Latter Day Saint Church be considered Christian, while adhering to Joseph Smith's foundational teachings, and upholding him as a prophet of God? and 2) Was Joseph Smith really a prophet of God, or was his power from another source? The book concludes with helpful tips for witnessing, and fourteen compelling testimonies of former RLDS members.
