The Dangerous Hero

Linda Barlow

The Dangerous Hero Linda Barlow

I want it all. Whips and chains. Hearts and kisses.

Viola was the first woman I ever tied up. We had one of those brief but intense summer romances.

OK, so I screwed that up. But now, years later, I've got a second chance.

The thing is, she doesn't trust me. I write novels about a brutal spymaster whose craving for blood is insatiable. Hidden in my home is an authentic medieval dungeon. I'm a connoisseur of finely-wrought leather floggers, silken ropes, the restrictive corset, the binding cuff.

I don't mean to frighten her. But hey, I want it all. Whips and chains. Hearts and kisses. Mastery and submission, pleasure and pain. I'm looking for that special partner--somebody to torment, somebody to love.

The door to my playroom is open. It's up to her to walk in.

The Dangerous Hero is a contemporary romance novel by New York Times and USA Today bestselling author and Rita Award Winner, Linda Barlow.

From reader reviews:

Lewis Dall:

In this 21st millennium, people become competitive in each way. By being competitive now, people have do something to make all of them survives, being in the middle of often the crowded place and notice by means of surrounding. One thing that at times many people have underestimated the item for a while is reading. That's why, by reading a reserve your ability to survive boost then having chance to remain than other is high. For you who want to start reading some sort of book, we give you this specific The Dangerous Hero book as beginning and daily reading book. Why, because this book is greater than just a book.

Ilene Bixler:

Here thing why that The Dangerous Hero are different and trustworthy to be yours. First of all reading a book is good but it depends in the content from it which is the content is as delightful as food or not. The Dangerous Hero giving you information deeper and different ways, you can find any guide out there but there is no book that similar with The Dangerous Hero. It gives you thrill examining journey, its open up your own eyes about the thing that will happened in the world which is perhaps can be happened around you. You can actually bring everywhere like in park your car, café, or even in your approach home by train. If you are having difficulties in bringing the published book maybe the form of The Dangerous Hero in e-book can be your alternate.

Lorene Lord:

The reason? Because this The Dangerous Hero is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will shock you with the secret that inside. Reading this book next to it was fantastic author who also write the book in such remarkable way makes the content interior easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This unique book will give you a lot of benefits than the other book have such as help improving your talent and your critical thinking approach. So , still want to postpone having that book? If I ended up you I will go to the e-book store hurriedly.

Michael Spicer:

Would you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Make an effort to pick one book that you never know the inside because don't ascertain book by its deal with may doesn't work here is difficult job because you are scared that the inside maybe not as fantastic as in the outside search likes. Maybe you answer could be The Dangerous Hero why because the great cover that make you consider regarding the content will not disappoint a person. The inside or content is fantastic as the outside as well as cover. Your reading sixth sense will directly make suggestions to pick up this book.
