Emotions from Within: A Collection of Poetry Jessica Johnson

Emotions From Within is a book of poetry for young adults. Heartbreak, depression and being in love are the three subjects pertaining to each poem. Each poem conveys either the heart being trapped, the heart being set free, or emotions flying. This being the first book self-published by Jessica Johnson; she starts unraveling the truth behind eradicating emotions of every human heart. Jessica poetically states the common truth in feelings that stay bottled up inside. Those who have loved and whom have lost will turn the pages, understanding and relating with the poetry while venturing down memory lane. Life is said to be a roller-coaster at times and the passengers who ride along can take a huge toll on the heart. Feelings make us who we are as human beings and without them we'd all be walking robotics. But instead we are amazing creatures whose vessel surrounds the emotions and thoughts that make up the anatomy of a human soul. This collection of poetry proves just that. That there is more to a person than meets the eye and every person has a heart that beats or used to beat for someone else. Each heart has had a battle to overcome and with every battle comes a new beginning. Emotions can run wild but it all depends if you're wild enough to keep them tamed and even wild enough to chase after them.
