# The Africana Bible: Reading Israel's Scriptures from Africa and the African Diaspora

## **The Africana Bible: Reading Israel's Scriptures from Africa and the African Diaspora**

A landmark volume, The Africana Bible gathers multicultural and interdisciplinary perspectives on every book in the Hebrew Bible. It opens a critical window onto the world of interpretation on the African continent and in the multiple diasporas of African peoples, including the African-American experience, with attention to African history, literature, and culture, and Black diasporan backgrounds for understanding biblical literature.

The Africana Bible features a critical commentary on every book of the Hebrew Bible and the Apocrypha and Pseudepigrapha that are authoritative for many in African and African-diasporan communities worldwide. It highlights issues of concern to the global Black community (such as globalization and the colonial legacy) and the distinctive norms of interpretation in the African diaspora.
