The Mystery of Biltmore House (Real Kids, Real Places)

Carole Marsh

The Mystery of Biltmore House (Real Kids, Real Places) Carole Marsh

In 1981, Carole Marsh (a real author) took four real kids to the famous Biltmore House in Asheville, NC. They went to learn about G. W. Vanderbilt, the Victorian Era, O. Henry and more.

There was only one little problem...

First one kid disappeared. Then another! Then, so did a priceless antique chess set!

There was the creepy Halloween room, the very scary basement, the eerie attic, and all those gape-mouthed gargoyles.

Oh yeah, and all that blood! And did I say that the kids got trapped in the mile-long heating system?

Did I say ONE LITTLE problem?

How about LOTS of BIG problems! Everyone loves Biltmore House! So much so, that there has been constant demand for a reprint of Carole's most popular book ever! Biltmore's more than one big, giant house; it's one big, giant history lesson!
