An Apprentice to Elves (Iskryne)

Elizabeth Bear, Sarah Monette

An Apprentice to Elves (Iskryne) Elizabeth Bear, Sarah Monette

Sarah Monette and Elizabeth Bear return with the third book in their Iskryne trilogy, *An Apprentice to Elves*. The trilogy began with *A Companion to Wolves*, and continued in *The Tempering of Men*. This novel picks up the story of Alfyfa, a young woman who has been raised in the Wolfhall by her father Isolfr, who is the human leader of the queen-wolf Viridechtis' pack, and was the protagonist of the first book.

The warrior culture of Iskryne forbids many things to women-and most especially it forbids them bonding to one of the giant telepathic trellwolves. But as her father was no ordinary boy, Alfyfa is no ordinary girl. Her father has long planned to send his daughter to Tin, a matriarch among the elves who live nearby, to be both apprentice and ambassador, and now she is of age to go.
