Jesus Wept: When Faith and Depression Meet Barbara C. Crafton

Praise for *Jesus Wept*

"What courage it took for this priest and poet to explore depression in people of faith. Barbara Crafton writes with exquisite nakedness about the futile search for meaning in the meaninglessness of despair. Her own salvation is a beacon to those who believe God means them to suffer in order to understand."

—**Gail Sheehy**, author, *Passages; Understanding Men's Passages*

"Writing well about depression is not nearly as challenging as surviving the beast, but it is still a hard thing to do. Having written about my own depression, I can say with some authority that Barbara Crafton, a fellow sufferer, writes wonderfully well on this difficult topic.... This book offers truth about the devastating darkness of this disease and about the hope that makes it possible to find one's way back to the light. Barbara Crafton offers up her truth with humor and gritty stories as well as candor and care.... May the many who suffer?and those who care for them, read this book, shed the shame, and find the new life that awaits them on the other side."

—**Parker J. Palmer**, author, *A Hidden Wholeness, Let Your Life Speak, and The Courage to Teach*

"Having known the tension of faith and depression in her own life, Barbara Crafton offers us wisdom that comes from years of reflection, of faithful practice, of knowing 'dark is not dark to you, O Lord.' (Psalms 139:11) She has no truck with pabulum Christianity; she knows that faith that does not meet our darkest days is no faith at all?. Crafton offers sound insight and speaks the truth in love, offering hope and acceptance to those of us who struggle with depression."

—**Mary C. Earle**, author, *Broken Body, Healing Spirit: Lectio Divina and Living with Illness and Beginning Again: Benedictine Wisdom for Living with Illness*
