## **The Called the Chosen: God has always had a People** Ken McFarland

This book is a story: It's the story of the long contest between good and evil that began thousands of years ago and is not yet finished. The story of the loyal few in every century who stood bravely and firmly on the side of good. And especially; the story of those near the story's end who help to finish the great battle. This is the story of the called-the chosen. The story of those God has called out of error and rebellion into truth and loyalty. The story of those God has chosen to tell the world His truth and show the world what He is really like.
