The Master Falconer: A Penguin eSpecial from G.P. Putnam & Sons C. J. Box

A dramatic short story of justice both old and new from the New York Times–bestselling author of *Cold Wind. The West* is not the way it’s portrayed in the movies. But when a man from the East brings trouble for Nate Romanowski and his friend Joe Pickett, a little frontier-style justice may be just what’s called for. An exciting new addition to the series that *People* hails for “combin[ing] harrowing adrenaline rushes with complex morality, humor, and a landscape described so vibrantly it seems to have a life all its own.”
