The Soul of the Marionette: A Short Inquiry into Human Freedom

John Gray

The Soul of the Marionette: A Short Inquiry into Human Freedom John Gray

Compared with that of humans, the life of the marionette looks more like an enviable state of freedom

In his brilliantly enjoyable and freewheeling new book, John Gray draws together the religious, philosophic, and fantastical traditions that question the very idea of human freedom. We flatter ourselves about the nature of free will and yet the most enormous forces—logical, physical, metaphysical—constrain our every action. Many writers and intellectuals have always understood this, but instead of embracing our condition we battle against it, with everyone from world conquerors to modern scientists dreaming of a "human dominion" almost comically at odds with our true state.

Filled with wonderful examples and drawing on the widest possible reading (from the Gnostics to Philip K. Dick), *The Soul of the Marionette* is a stimulating and engaging meditation on everything from cybernetics to the fairground marionettes of the title.

From reader reviews:

Floretta Simmons:

What do you about book? It is not important with you? Or just adding material when you need something to explain what your own problem? How about your extra time? Or are you busy person? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have time? What did you do? Every individual has many questions above. They must answer that question mainly because just their can do which. It said that about publication. Book is familiar in each person. Yes, it is right. Because start from on pre-school until university need this specific The Soul of the Marionette: A Short Inquiry into Human Freedom to read.

Richard Valadez:

Many people spending their moment by playing outside together with friends, fun activity with family or just watching TV the entire day. You can have new activity to invest your whole day by studying a book. Ugh, ya think reading a book can actually hard because you have to take the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Smartphone. Like The Soul of the Marionette: A Short Inquiry into Human Freedom which is having the e-book version. So , why not try out this book? Let's notice.

Wayne Queen:

Is it anyone who having spare time then spend it whole day through watching television programs or just lying on the bed? Do you need something new? This The Soul of the Marionette: A Short Inquiry into Human Freedom can be the response, oh how comes? The new book you know. You are consequently out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these guides have than the others?

David Fern:

Within this era which is the greater man or woman or who has ability to do something more are more treasured than other. Do you want to become certainly one of it? It is just simple way to have that. What you should do is just spending your time little but quite enough to have a look at some books.
