## The Womanist Idea (Contemporary Sociological Perspectives) Layli Maparyan

Following on the heels of *The Womanist Reader*, *The Womanist Idea* offers a comprehensive, systematic analysis of womanism, including a detailed discussion of the womanist worldview (cosmology, ontology, epistemology, logic, axiology, and methodology) and its implications for activism. From a womanist perspective, social and ecological change is necessarily undergirded by spirituality – as distinct from religion per se – which invokes a metaphysically informed approach to activism.
