19 Tips for Managing Information and Technology (The 10-Minute Guide to Managing Your Time)

Jeff Davidson

In this e-book, you will learn how to limit the amount of information that confronts you while ensuring that you are exposed to issues critical to your job and personal well being. You will also learn techniques for managing your professional reading, as well as how to more effectively control the various forms of technology that you use on a daily basis.

It is not difficult in this day and age to be deluged by too much information all at once. You only have to log on to the Internet, switch on the television, open your mailbox, walk into a magazine store or bookstore, or simply open your inbox. Never before have so many been confronted with so much.

To effectively manage your time, set up filters in all aspects of your life so that you have access to information that you want or need to be exposed to, but are not subject to the floodgate levels of information plaguing so many others.
