Do not be satisfied with reading the awesome testimonies of others. YOU can have everything they have and more! Angelic Visitations and Supernatural Encounters is a book written to encourage ordinary, everyday people to pursue and expect the miraculous in their lives. The stories relayed in the book come from the daily journal of Michael Van Vlymen, author of "How To See in the Spirit" and contain accounts of visitations, translations, visions, healings, miracles of provision and more. The main purpose of this book is to show through these examples that God wants ALL of His children to be "naturally supernatural". That the supernatural part of Christian life is not just for a pastor, prophet, apostle or worship leader, but for us all.
