My Grandfather's Garden Chris Spencer

Fred slouched back, getting into a comfortable position to tell me about his trip. As he starting speaking, I just closed my eyes and let his words evaporate into visions. I could almost hear each paddle stroke and each deep footprint as his boots crunched through the forest floor to his special location. Chris has a very special relationship with his grandfather. He can ask him anything, and is eager to learn all that Fred has to offer. One special year Chris learns about the true meaning of God's love while helping work in the garden. Throughout this special year, Chris pieces together clues left to him by his grandfather as to the location of a secret key, which reveals the ten lessons for living. Based on a true story, My Grandfathers Garden, takes us inside a young boy's mind and opens us up to loving lessons that transcend time. Tied together with select poems from Robert Frost, this beautiful story encourages us to discover our past and unlock the secrets of our soul.
