**Secrets of the World's Undiscovered Treasures (Mysteries and Secrets) Lionel and Patricia Fanthorpe**

Treasures of many kinds still lie hidden below crumbling castles and ruined monasteries; in macabre tombs; in subterranean labyrinths and sinister caverns. Many sunken treasures lie beneath the seas, oceans and lakes of the world. Vast stores of pirate gold are still hidden on many a real life treasure island such as Oak Island at Mahone Bay, Nova Scotia. Many treasures were looted, hidden and lost after the two World Wars - Hermann Goering, for example, one of most powerful leaders of Nazi Germany, is strongly suspected of hiding huge treasures at Veldenstein and Lake Zeller.

This fascinating, expertly researched book brilliantly reveals all these unsolved mysteries. The final section covers useful ideas for treasure-seekers: the study of old maps and charts; coded messages; secret symbols; and intensive research into the lives and locations of those people through out history who probably in all certainty, had treasure to hide.

#### **Teresa Obannon:**

As a university student, I exactly feel bored to reading. If their teacher requested them to go to the library as well as to make a summary for some reserve, they are complained. Just tiny students that have reading's heart and soul or really their hobby. They just do what the teacher wants, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise, word says, many ways to reach Chinese's country. Therefore, this *Secrets of the World's Undiscovered Treasures (Mysteries and Secrets)* can make you truly feel more interested to read.
