Nina Sestina

What happens when the man of the house and his friends set their eyes on the innocent brat? She becomes their personal plaything, that's what. Three taboo stories where the tension at home boils over into extracurricular activities between strictly forbidden parties!

Older males who know exactly what they want, and eager brats who have just what they are looking for. Some urges need to be explored in the hot, sweaty confines of a bedroom. Just be careful, more than one at a time can lead to quite an overwhelming experience...
