The Impeachment of William Jefferson Clinton is a work of "future history." It shows how Clinton could be impeached within months. You'll learn how Congressional investigators could adopt 7 articles of impeachment against Clinton with known evidence, already on the real-life record; which of the many Clinton scandals pose a very real threat to his presidency; what specific crimes the 7 articles of impeachment will detail; how serious a threat to our Constitution Clinton really is; which 13 Democratic senators could join Republicans and vote to convict Bill Clinton; and how Clinton can be brought up on RICO charges - and found guilty of racketeering.
