**Reduce your accent when pronouncing English, with the expertise from an acclaimed specialist in the area**

Developed by acclaimed speech consultant and accent specialist Susan Cameron, *Perfecting Your English Pronunciation* features her successful method, which focuses on the anatomical placement of sound and on the musculature used in articulation. Where other accent reduction/English pronunciation products rely on solely mimicking of audio sounds, this work focuses visually, audibly, and narratively on the physical ability to speak English, noting that many sounds of English may be difficult for you because some tongue positions used in English may not be used in your native language.

The 45-minute DVD introduces you to mouth and jaw exercises to prepare you for English, then demonstrates mouth formations and tongue placement using other nonnative speakers like you. You will see and hear how English sounds--enabling you to become more and more comfortable conversing with native English speakers as you go through the program.

NOTE: DVD is designed to operate both in DVD players and on computers equipped with DVD drive/software. Note that to navigate the DVD on computer, you will need to scroll your cursor to the left of the desired menu entry, then click the blue box that appears.
