Skills & Knowledge of Cost Engineering: A Product of the Education Board of AACE International A A CE International

Skills & Knowledge of Cost Engineering, 5th edition revised, is a product of the Education Board of AACE International, the Association for the Advancement of Cost Engineering International (www.aacei.org). This book is the body of knowledge for teaching the basic skills and knowledge any cost engineer should possess. AACE International is a non-profit association whose members are primarily cost engineers, cost estimators, planners and schedulers, and related disciplines. AACE International offers testing and several certifications in related discipline areas. This book includes educational material useful in the association's certification preparation process. For additional information, visit the AACE International website at www.aacei.org
