The Medieval Python: The Purposive and Provocative Work of Terry Jones (The New Middle Ages)

The Medieval Python: The Purposive and Provocative Work of Terry Jones (The New Middle Ages)

No one working today in Middle English studies or in period-related film and/or documentary can proceed untouched by Terry Jones' thought-provoking views. Through films such as *Monty Python and the Holy Grail*, educational television series for BBC and the History Channel, and books such as *Chaucer's Knight and Who Murdered Chaucer?*, Jones has applied his unique combination of carefully researched scholarship, keen intelligence, fearless skepticism of establishment thinking, and broad good humor to challenge, enlighten, and reform. *The Medieval Python: The Purposive and Provocative Work of Terry Jones* collects original essays by prominent and diverse medievalists in literature and history to celebrate the work of a dedicated independent scholar whose criticism has redirected how we understand the world of Chaucer and life in the Middle Ages.
