## **Utopia: The Secular Delusion** Bo Jinn

Bo Jinn has fast become a popular maverick figure in the immortal debate on religion with his first book, provocatively entitled *Illogical Atheism*, where his unique approach to the subject, dubbed 'unapologetics', earned him both praise and contempt in equal measure from people on all ends of the spectrum. In this small reflection, Jinn tackles the related subject of secularism and the 'Utopian Dream' with that same combination of eloquence, humor, insight and severity that readers are bound to either love or hate.
