Complex Litigation, Cases and Materials on Advanced Civil Procedure (American Casebook Series)

Richard Marcus, Edward Sherman, Howard Erichson

This casebook provides a foundation for handling a wide variety of complex litigation cases, including civil rights, torts, and securities. The fifth edition offers expanded treatment of multidistrict litigation, new material on the Class Action Fairness Act, and a new section on litigating class certification. The authors have created a new chapter on settling complex cases, allowing students to understand the special issues that arise in class action settlements and in non-class aggregate settlements. Materials on discovery and judicial management have been streamlined and updated.
