Grieving the Loss of a Loved One Kathe Wunnenberg

Death is an inevitable and constant part of life, yet those who grieve often feel misunderstood and alone in their journey, says Kathe Wunnenberg, author of *Grieving the Loss of a Loved One*. This compassionate book acts as a daily devotional companion to hurting people. Designed for adult readers of all ages and stages in the grieving process, it is sensitively written by an author who suffered three miscarriages and the death of an infant son. She knows from firsthand experience that there are no easy answers for those who mourn. Sixty devotions cover the many stages of grieving, including readings for holidays, birthdays, and special occasions, when grief can be particularly painful. Readers will walk away from the short thematic devotions and feel validated, connected to someone who knows how they truly feel, and with renewed hope in God. Friends and family members who sincerely want to help the grieving can give this book as a meaningful, beneficial expression of their love and concern.
