## **Mocha Divas (Faith, Hope & Charity) (Volume 2) Fay Long**

Wow! Mocha Divas is another captivating work by Fay Long that chronicles the lives of very diverse girlfriends. They may be happily monogamous, unwillingly-sharing or devoid of relationships. The author writes in a way that each woman reminds you of someone you know OR even, perhaps, yourself. And just when you anticipate the next words on the page, Fay adds a twist or two that makes putting down the book nearly impossible. These 50 something women of color put a fresh, much needed, new face on mid-life sensuality....ahhhh...finally something for AARP eligible ladies to relate to and celebrate. A book like this that puts our many relationships in full view has truly "been a long time comin"!
