Prealgebra (6th Edition) (The Martin-Gay Paperback Series) Elayn Martin-Gay

Elayn Martin-Gay firmly believes that every student can succeed, and her developmental math textbooks and video resources are motivated by this belief. **Prealgebra, Sixth Edition** was written to help readers effectively make the transition from arithmetic to algebra. The new edition offers new resources like the **Student Organizer** (available separately) and now includes **Student Resources** in the back of the book to help students on their quest for success.
