Thanks to Meryl Starr author of the best-selling *Home Organizing Workbook* and go-to gal for *Real Simple*, *InStyle*, and a host of premier media outlets organizing those buried desks, overstuffed handbags, and mysterious-yet-important papers wedged in the glove box is only a book away. *The Personal Organizing Workbook* teaches the fundamentals of managing time and clutter, offering tips, quizzes, and checklists to help create a personalized organization system that will really see some use (unlike that pricey PDA now gathering dust). It also outlines skills for sticky situations such as declining a post on the PTA or being honest with a time-hogging friend. Under Meryl's guidance, dreams and priorities finally get their due, old friends are seen more than once a year, and Christmas cards beat Santa to the door. And because being organized means staying organized, there's a special section dedicated to getting back on track. Packed with information, with a chic and practical concealed spiral binding and easy-reference tabbed sections, and brimming with gorgeous photography, *The Personal Organizing Workbook* will inspire readers to take control of their time, their stuff, and their lives.
