## **Winter Holiday (Swallows & Amazons) Arthur Ransome**

For anyone who loves sailing and adventure, Arthur Ransome's classic Swallows and Amazons series stands alone. Originally published in the UK over a half century ago, these books are still eagerly read by children, despite their length and their decidedly British protagonists. We attribute their success to two facts: first, Ransome is a great storyteller and, second, he clearly writes from first-hand experience. Independence and initiative are qualities any child can understand and every volume in this collection celebrates these virtues.

The fourth book in Arthur Ransome's classic series for children, Winter Holiday, takes intrepid explorers John, Susan, Titty, and Roger Walker, and fearsome Amazon pirates Nancy and Peggy Blackett to the North Pole. Joined by budding novelist Dorethes Callum and her scientist brother Dick, the children plan an "Arctic" expedition. But unforeseen events separate the travelers and disaster nearly strikes in the exciting climax of their race to the Pole.
