A History of Modern Psychology

C. James Goodwin

A History of Modern Psychology C. James Goodwin

With the Third Edition of Goodwin's *A History of Modern Psychology*, students will learn about the fascinating men and women who helped create and shape the field of psychology. They will also develop a deeper understanding of the many interconnections that exist among the different areas of psychology. Goodwin's book not only provides accounts of the lives and contributions of psychology's pioneers set into historical context; it also contains original writings by these psychologists, interwoven with informative comments from the author. The text is written in a conversational and engaging style with discrete attention to recent scholarship in the history of psychology, especially that of the past 150 years.
