Customers who enjoy books by Robyn Carr, Debbie Macomber and Susan Wiggs will enjoy this contemporary romance set in the lush horse country of Kentucky filled with small town charm, romance, love, family and friends from #1 NY Times bestselling author Barbara Freethy.

Katherine Whitfield hadn't left her seamless life in California to get mixed-up with a rough around the edges man like Zach Tyler. With his well-worn jeans and slow, seductive smile, he was nothing but a cowboy on the wrong side of the Mississippi - a diversion in her heartfelt quest to discover the father she never knew.

Zach has a gentle hand with horses and a seductive touch with women ... and when he takes Katherine in his arms, he unleashes the passion simmering just below her cool exterior. Yes, her probing questions and tantalizing ways could cause nothing but trouble - but sometimes a man needs a little trouble

Reviews:

"Ms. Freethy's protagonists have such depth of character and personal conflict that they come alive on the pages. The author then surrounds them with a bunch of interesting secondary characters and places them in a setting so well described I felt I was there in the lush Kentucky countryside. An excellent romance to enjoy, remember and keep." *Rendezvous Magazine*

"This book is meant to be read in one sitting. Like a horse worth riding, this romance is definitely worth reading, and the setting makes for one long and lovely romance. Ms. Freethy has penned a welcome addition to any keeper shelf, for this is nothing if not spirited." *The Old Book Barn Gazette*

Those publications are helping them to bring their knowledge. In additional case, beside science book, any other book likes Almost Home to make your spare time more colorful. Many types of book like here.

Jose Garcia:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Almost Home can make you experience more interested to read.
