Man and Woman He Created Them: A Theology Of The Body John Paul II

By Pope John Paul II Translated and introduced by Michael M. Waldstein In this new critical translation of Pope John Paul II's magnum opus, internationally renowned biblical scholar Michael Waldstein presents John Paul II's magnificent vision of the human person with meticulous scholarship and profound insight. This is the classic compilation of texts which outline the Theology of the Body of Pope John Paul II. In this vision, John Paul II presents a catechesis centered on the human person, understood within the mystery of Christ.
