## **Public Finance: An International Perspective** Joshua E. Greene

This book expands on issues like fiscal sustainability, state enterprises and the variety of subsidies, with a multi-country focus. Drawing examples from numerous countries, it presents issues in contemporary finance and especially fiscal policy that can benefit researchers and civil servants from both developed, as well as developing worlds and emerging market economies.

Written in a simple and accessible manner, this book will be of interest to civil servants and practitioners. It also serves as a reference source for students and academics, and can be used as a textbook for advanced courses on public finance.
