# Roman Shakespeare: Warriors, Wounds and Women (Feminist Readings of Shakespeare)

*Coppélia Kahn*

**Roman Shakespeare: Warriors, Wounds and Women (Feminist Readings of Shakespeare)** Coppélia Kahn

In the first full-length study of Shakespeare's Roman plays, Coppélia Kahn brings to these texts a startling, critical perspective which interrogates the gender ideologies lurking behind 'Roman virtue'.

Plays featured include:

- \* *Titus Andronicus*
- \* *Julius Caesar*
- \* *Antony and Cleopatra*
- \* *Coriolanus*
- \* *Cymbeline*

Setting the Roman works in the dual context of the popular theatre and Renaissance humanism, the author identifies new sources which she analyzes from a historicised feminist perspective.

*Roman Shakespeare* is written in an accessible style and will appeal to scholars and students of Shakespeare and those interested in feminist theory, as well as classicists.
