# Twelfth Night, or What You Will: The Oxford Shakespeare Twelfth Night, or What You Will (Oxford World's Classics)

*William Shakespeare*

**Twelfth Night, or What You Will: The Oxford Shakespeare Twelfth Night, or What You Will (Oxford World's Classics)** William Shakespeare

*Twelfth Night* is one of the most popular of Shakespeare's plays in the modern theatre, and this edition places particular emphasis on its theatrical qualities throughout. Peopled with lovers misled either by disguises or their own natures, it combines lyrical melancholy with broad comedy.

The introduction analyses its many views of love and the juxtaposition of joy and melancholy, while the detailed commentary pays particular attention to its linguistic subtleties.

Music is particularly important in *Twelfth Night*, and this is the only modern edition to offer material for all the music required in a performance. James Walker has re-edited the existing music from the original sources, and where none exists has composed settings compatible with the surviving originals.

**About the Series:** For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe.
