What If God Were the Sun? John Edward

In his first novel, psychic medium John Edward weaves a deeply moving and poignant story about a close-knit family and their way of dealing with life, love, and death over the generations. John draws upon his spiritual experiences with people throughout the world and their loved ones who have "crossed over" to create a true-to-life drama that will touch your heart and soul.

The richly drawn characters in this book, Tim, Grandma Rosie, Rachel, Uncle Clyde, and Chester the dog, will truly become a part of your life as you follow their triumphs and sorrows. They are living examples of the power of familial love and the need to bond together during times of grief.

The healing messages that are brought forth in this incomparable work are timeless reminders that life and death are part of the same unending circle and that our loved ones are never really "lost" to us. This is a book that you'll want to share with your family and friends!
