## Covered Wagon Women 7: Diaries and Letters from the Western Trails 1854-1860 (Covered Wagon Women)

Some of the women traveling west in the late 1850s were strong advocates of equal rights for their sex. On the trail, Julia Archibald Holmes and Hannah Keziah Clapp sensibly wore the “freedom costume” called bloomers. In 1858 Holmes joined the Pikes Peak gold rush and was the first woman of record to climb the famous mountain.

Educator Hannah Clapp traveled to California with a revolver by her side, speaking her mind in a letter included in this volume, which is also enriched by the trail diaries of seven other women. Among them were Sarah Sutton, who died in 1854, just before reaching Oregon’s Willamette Valley; Sarah Maria Mousley, a Mormon woman traveling to Utah in 1857; and Martha Missouri Moore, who drove thousands of sheep from Missouri to California with her husband in 1860.

#### **Glenda Rizzo:**

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's spirit or real their

interest. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Covered Wagon Women 7: Diaries and Letters from the Western Trails 1854-1860 (Covered Wagon Women) can make you truly feel more interested to read.
