**Effective Group Discussion: Theory and Practice** Gloria J. Galanes, Katherine L. Adams, John K Brillhart  
Combining the most recent research findings with practical tools students need to become productive group members, this leading text covers secondary groups of all kinds: work groups, committees, task forces, self-directed work teams, and other small groups whose objectives include finding solutions to problems, producing goods, and creating policies. In this edition, the authors have expanded coverage of computer-mediated communication and updated relevant information about diversity and culture in chapter 5 and throughout the text..
