Footprints of the Fisherman Carol Ruvolo

Simon Peter loved Jesus Christ with all of his heart, soul, mind, and strength — but he loved Him imperfectly because he was human. Although Peter was wholly committed to Christ, he did many things wrong. There must have been days when he wondered if he'd ever make it. I'm a lot like that, and you probably are too. That's why we identify with Peter so well, and have so much to learn from his example.

This study focuses on Peter's relationship with the Lord Jesus Christ. Each chapter deals with a critical episode in their relationship from which we can draw some valuable life lessons. The study questions at the end of each lesson will encourage us to apply what we learn from Peter's example in our daily lives.

Elisabeth Elliot had this to say: "I am happy to endorse Footprints of the Fisherman These life lessons on the Apostle Peter reveal the heart of a man who did many things wrong, yet he loved the Lord Jesus. His example reminds us that we grow in grace."

Jerry Bridges: "Carol Ruvolo is a skillful writer and a keen student of Scripture. Her studies in the life of the apostle Peter will prove both challenging and encouraging to all who want to grow in their relationship with Christ."
