Grim Shadows (Roaring Twenties Book 2) Jenn Bennett

It's the Roaring Twenties in foggy San Francisco. Prohibition is on, inhibitions are low, and dark magic is rolling into town...

Archaeologist Lowe Magnusson is packing something everyone wants. The *djed* amulet, a priceless Egyptian artifact, will fetch Lowe a hefty paycheck from one of San Francisco's wealthiest. But when the handsome Swede runs into his patron's uptight daughter, what he once considered easy money becomes maddeningly complicated...

Cursed with deadly spirits as her constant companions, curator Hadley Bacall must keep calm to hold her dangerous specters at bay and prevent them from lashing out at anything—or anyone. Trouble is, Lowe is driving her crazy, but her father needs the artifact he's transporting. While Hadley can feel the amulet's power, she can't fathom the destruction—or the desire—it's about to stir up.
