Lawrence Of Arabia (Da Capo Paperback)

B. H. Liddell Hart

Lawrence Of Arabia (Da Capo Paperback) B. H. Liddell Hart

T. E. Shaw, better known as Lawrence of Arabia, was one of the most romantic, heroic, and enigmatic figures of his day. The subject of myth and hagiography, he was equally accomplished in several fields—as archaeologist, diplomat, writer, and soldier—and he worked throughout World War I and after in the Middle East in efforts to promote independent Arab states. His autobiography *Seven Pillars of Wisdom* is one of the greatest works of its kind. The esteemed military historian B. H. Liddell Hart wrote this study of Lawrence in order to pierce the clouds of legend. He discussed Lawrence's Oxford days, his experiences as an intelligence officer in Egypt, and in particular the tactics of guerrilla warfare he practiced so effectively against the large Turkish armies during World War I. Liddell Hart was one of the few to give Lawrence his full justice as both a man and a brilliant soldier. Long out-of-print, this book unravels the many puzzling features of Lawrence's story and restores him to his proper place as one of the twentieth century's heroic, but very human, figures.
