My Friend the Enemy

Daniel Smith

My Friend the Enemy Daniel Smith

Peter feels compelled to help a wounded German pilot, but he doesn't want to be a traitor--especially not to his father, who is off fighting the Nazis. A moving story about the moral dilemmas of war.

Summer 1941: For Peter, the war is a long way away, being fought by his father and thousands of other British soldiers against the faceless threat of Nazism. But war comes frighteningly close to home one night when a German jet is shot down over the neighboring woods. With his feisty new friend Kim, Peter rushes to the crash site to see if there's anything he can salvage. What he finds instead is a German airman. The enemy. Seriously wounded and in need of aid...

Continuing in the tradition of thought-provoking literature about the Second World War, Dan Smith's MY FRIEND THE ENEMY is a thrilling adventure that also personalizes the moral dilemmas faced by the children left behind on the home front.
