**Narratives in Social Science Research (Introducing Qualitative Methods series)** Barbara Czarniawska  
**Narratives in Social Science Research** introduces students to the use of narrative methodology as a research tool. It offers a rigorous framework for the application of these devices within qualitative research. The book provides:

- An historical overview of the development of the narrative approach within the social sciences
- A guide to how narrative methods can be applied in fieldwork
- An explanation of how to incorporate a narrative approach within a research project
- Guidelines for interpreting collected or produced narratives
- A student-focused approach - key arguments and methods are illustrated by case-studies and lists of further reading.

Written in an accessible and engaging manner, this detailed text will be a useful resource for researchers and students taking courses in qualitative research across a variety of social disciplines.
