The Atlantic World (Routledge Worlds)

The Atlantic World (Routledge Worlds)

As the meeting point between Europe, colonial America, and Africa, the history of the Atlantic world is a constantly shifting arena, but one which has been a focus of huge and vibrant debate for many years. In over thirty chapters, all written by experts in the field, *The Atlantic World* takes up these debates and gathers together key, original scholarship to provide an authoritative survey of this increasingly popular area of world history.

The book takes a thematic approach to topics including exploration, migration and cultural encounters. In the first chapters, scholars examine the interactions between groups which converged in the Atlantic world, such as slaves, European migrants and Native Americans. The volume then considers questions such as finance, money and commerce in the Atlantic world, as well as warfare, government and religion. The collection closes with chapters examining how ideas circulated across and around the Atlantic and beyond. It presents the Atlantic as a shared space in which commodities and ideas were exchanged and traded, and examines the impact that these exchanges had on both people and places.

Including an introductory essay from the editors which defines the field, and lavishly illustrated with paintings, drawings and maps this accessible volume is invaluable reading for all students and scholars of this broad sweep of world history.

From reader reviews:

Anne Larsen:

What do you ponder on book? It is just for students because they're still students or the item for all people in the world, the particular best subject for that? Just you can be answered for that problem above. Every person has different personality and hobby for every other. Don't to be obligated someone or something that they don't would like do that. You must know how great along with important the book The Atlantic World (Routledge Worlds). All type of book can you see on many methods. You can look for the internet resources or other social media.

Roger Cooper:

Book is to be different per grade. Book for children until eventually adult are different content. As you may know that book is very important usually. The book The Atlantic World (Routledge Worlds) had been making you to know about other expertise and of course you can take more information. It is extremely advantages for you. The e-book The Atlantic World (Routledge Worlds) is not only giving you more new information but also being your friend when you truly feel bored. You can spend your current spend time to read your guide. Try to make relationship using the book The Atlantic World (Routledge Worlds). You never feel lose out for everything when you read some books.

Helen McCleary:

This book untitled The Atlantic World (Routledge Worlds) to be one of several books which best seller in this year, here is because when you read this publication you can get a lot of benefit into it. You will easily to buy this specific book in the book retail store or you can order it by means of online. The publisher of this book sells the e-book too. It makes you easier to read this book, since you can read this book in your Touch screen phone. So there is no reason for you to past this reserve from your list.

Paul Kennedy:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Atlantic World (Routledge Worlds) can make you experience more interested to read.
