Thirty-Eight Latin Stories Designed to Accompany Wheelock's Latin (Latin Edition) Anne H. Groton, James M. May

Though intended as a supplement to Wheelock's Latin, this book is well suited for use in any introductory Latin course. All the stories in the book are based on actual Latin literature, with the stories simplified at first and made gradually more complex as the work progresses. Students will learn how classical Latin was really written as they become familiar with the works of the great Latin authors.
