Bug-Out - Reality Vs. Hype John D. McCann

Not all situations will require that you leave the safety of your home, which would automatically make you a refugee. Bug-Out - Reality Vs. Hype is a thought provoking look at the topic of bugging-out! Is it the best choice for you, and if so, when is the best time? This book reveals the reality of trying to get home when an emergency situation arises, making the decision whether to bug-in, or bug out, and examines various options when a situation may require you to evacuate from your home. It provides the basics for decision making and what you will need based on the decision you make. It is a realistic look at a topic that is often filled with hype. The print edition has black & white photos, and the Kindle edition has color photos.
