Politics in States and Communities (15th Edition)

Thomas R. Dye, Susan A. MacManus

Politics in States and Communities (15th Edition) Thomas R. Dye, Susan A. MacManus

Uses a conflict management theme to illustrate state and community politics

Politics in States and Communities is distinguished by its focus on politics, its comparative approach, its concern with thorough explanation, its interest in policy, and its focus on conflicts in states and communities. Several themes are carried on throughout the book that emphasize the importance of politics at the state and community level including the “conflict management” theme which emphasizes the sources and nature of conflict in society, how key decision makers act in conflict situations, and how “politicos” emerge and determine “who gets what.”

MySearchLab is a part of the Dye/MacManus program. Research and writing tools, including access to academic journals, help students understand critical thinking in even greater depth. To provide students with flexibility, students can download the eText to a tablet using the free Pearson eText app.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable.
