Excerpt from The Adventures of Gil Blas of Santillane, Vol. 1 of 3

It is rather singular that the French should have been so silent on the life and conduct of their first novelist. They have nothing in their language comparable to Gil Bias: but the memory of the author has been consigned to a very few scanty notices, and, at this distance from the period of his death, little more can be recovered of one of the most humorous, and, at the same time, most easy, natural, and unaffected writers.
