The Little Lady Agency Hester Browne

Melissa Romney-Jones can bake a perfect sponge cake, type her little heart out, and plan a party blindfolded. But none of that has helped her get far in life or in love. When she gets fired -- again -- she decides to market her impeccable social skills to single men. To avoid embarrassing her father, a Member of Parliament, Melissa dons a blond wig and becomes "Honey," a no-nonsense bombshell who helps clueless bachelors shop, entertain, and navigate social minefields. She even attends parties if a client needs a "date." But when a dashing American starts to request Honey's services on a regular basis, it's only a matter of time before Honey's and Melissa's worlds collide....
