The New Unger's Bible Dictionary

Merrill F. Unger

The New Unger's Bible Dictionary Merrill F. Unger

Unger's Bible Dictionary has been one of the bestselling Bible dictionaries on the market since its introduction in 1957. Now this time-honored classic is more valuable than ever.

Updated and expanded by respected Bible authorities including R.K. Harrison, Howard F. Vos, and Cyril J. Barber, *The New Unger's Bible Dictionary* is packed with the most current scholarship. More than 67,000 entries are supplemented with detailed essays, colorful photography and maps, and dozens of charts and illustrations to enhance your understanding of God's Word.

Although this volume is based on the *New American Standard*, extensive cross-referencing makes it useful with all major Bible translations, including the New International, King James, and New King James versions.
