## **The Theology of Paul the Apostle** James D. G. Dunn

In this major work, James D. G. Dunn brings together more than two decades of vigorous and creative work on interpreting the letters of Paul into an integrated, full-scale study of Paul's thought.

Using Paul's letter to the Romans as the foundation for constructing a fuller exposition of Paul's whole theology, Dunn's thematic treatment clearly describes Paul's teaching on such topics as God, humankind, sin, christology, salvation, the church, and the Christian life. In the process Dunn engages in a concise way what other important scholars have said regarding each area of inquiry.

The Theology of Paul the Apostle represents a major contribution to the ongoing discussion regarding what Paul's theology is and what its continuing relevance is to the study and practice of religion and theology.
