## **Birthsong Midwifery Workbook** Daphne Singingtree

This easy-to-use study guide and coloring book is for the student midwife who wants to gain a basic understanding of the art and science of midwifery. It is ideal for both the individual student as well for midwifery study groups. Each of the 11 chapters contains learning objectives, resources for further study, practice exercises, and questions for review. Illustrations, color-in diagrams, and sample forms help support students as they process the information they are learning. The workbook begins with a chapter about the history of midwifery and current trends/status of midwives. This is followed by an orientation to study chapter, which helps the self-learner approach their study endeavor, as well as introducing medical terminology, abbreviations and anatomical directions. Other chapters deal with reproductive anatomy, embryology and fetal development, normal pregnancy and nutrition/herbs, the course of prenatal care, normal labor and birth, the placenta and postpartum period, the normal newborn and breastfeeding. The author has managed to approach the science of childbearing with the power and art of the midwifery model of care in a very balanced and useful manner

### From reader reviews:

#### **Barbara Clarke:**

Playing with family in a very park, coming to see the coastal world or hanging out with buddies is thing that usually you might have done when you have spare time, subsequently why you don't try thing that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Birthsong Midwifery Workbook, you are able to enjoy both. It is very good combination right, you still wish to miss it? What kind of hang-out type is it? Oh come on its mind hangout men. What? Still don't buy it, oh come on its called reading friends.

#### **Andrew Spivey:**

This Birthsong Midwifery Workbook is great e-book for you because the content which can be full of information for you who else always deal with world and also have to make decision every minute. That book reveal it data accurately using great plan word or we can state no rambling sentences inside. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but difficult core information with beautiful delivering sentences. Having Birthsong Midwifery Workbook in your hand like finding the world in your arm, facts in it is not ridiculous 1. We can say that no reserve that offer you world within ten or fifteen minute right but this publication already do that. So , this really is good reading book. Hi Mr. and Mrs. busy do you still doubt that will?

#### **Charlotte Cooper:**

On this era which is the greater man or who has ability in doing something more are more important than other. Do you want to become among it? It is just simple method to have that. What you are related is just spending your time very little but quite enough to get a look at some books. One of several books in the top record in your reading list is definitely Birthsong Midwifery Workbook. This book and that is qualified as The Hungry Hills can get you closer in turning into precious person. By looking upwards and review this publication you can get many advantages.

#### **Joseph Boyd:**

That book can make you to feel relax. This book Birthsong Midwifery Workbook was colourful and of course has pictures on the website. As we know that book Birthsong Midwifery Workbook has many kinds or type. Start from kids until adolescents. For example Naruto or Private investigator Conan you can read and think you are the character on there. Therefore , not at all of book usually are make you bored, any it offers you feel happy, fun and loosen up. Try to choose the best book for you personally and try to like reading this.
